Using the Mouse Pad

• Plug the Micro-USB end into the mouse pad and plug the
  USB-A end into a UL compliant USB power supply of at
  least DC 5V/200mA.
• The lights will blink red, green, then blue when it is plugged in.
• Press the power button to cycle through the different colors.
• Hold the power button for 1-3 seconds to power on/off.

What's Included

• XXL RGB Mouse Pad
• USB-A to Micro USB Power Cable

Cycle Colors

• Press power button to cycle the 13 different colors and modes:
  - RGB synchronizing breathing - RGB alternating breathing
  - Red - Blue - Green - Purple - Cyan - Yellow - White
  - RGB alternating wave - RGB synchronizing wave
  - RGB gradient wave flash - RGB gradient wave rave - Off
  Note: It will keep the last mode when you restart the pad.
